What Is Included

By participating in this program, your business is investing in a verified professional standing. Your fees directly support the rigorous review process, comprehensive professional training modules, ongoing standards alignment, formal public recognition, annual renewal administration, and the continuing education framework necessary to elevate holistic animal care practices globally.

Important Notes

- Approval is not guaranteed; all application fees cover the cost of the formal review, inspection, and administration processes and are non-refundable.
- Businesses must consistently meet IAHAAP standards and remain in good professional standing to retain their approved status.

- Recognition by IAHAAP represents a commitment to ethical standards and does not replace legal licensure, veterinary authority, liability insurance, or local regulatory compliance.
- Pricing is subject to periodic review and may be updated by IAHAAP in the future.
